

Hand and Body Wash

Natural Plant-Based Formulation

PrimeOn™ Hand and Body Wash uses a colour, fragrance- and paraben-free plant-based formulation, providing thorough cleaning and decontamination of hands both before and after clinical procedures, without harsh effects on the skin.

Made from biodegradable ingredients, including soothing and nourishing Colloidal Oatmeal, our Hand and Body wash is specifically formulated with sensitive skin in mind, with no isothiazolinones or residuals to reduce skin irritation, allowing you to care for the environment as well as your patients.
