

Athena Surgical Face Mask

The PrimeOn Athena Surgical Face Mask provides protection at a premium level for surgical tasks. Our anti-fog foam technology prevents condensation from escaping out of the top of the mask, stopping eyewear from fogging, and ensuring maximum visibility at all times. The PrimeOn Athena surgical face mask is resistant against fluid splashes and conforms to the Australian Standard. The tie design ensures comfort for different head shapes and sizes.

PrimeOn Athena with Ties

TGA Registration	ARTG 290961
Fixation	Ties
Number of Fabric Layers	4
