

Hand Sanitiser

PrimeOn™ Sanitiser is formulated as a TGA-regulated and registered, EN 1500*-compliant hand sanitiser, specially for use in a healthcare setting. With a crisp, light citrus fragrance and a non-greasy, residue-free formula, the PrimeOn™ Hand Sanitiser provides professional-level protection without the pungent odours, giving you peace of mind about your hand hygiene and infection control practices.

Our formulation is both colour-and paraben-free to reduce the chance of irritation, and packaged in a 500ml pump bottle for the tabletop or a convenient pocket or purse friendly 50ml Handypack. PrimeOn™ Hand Sanitiser provides rapid disinfection and cleansing of hands on the go without the need for water.

COMPLIANCE

ARTG: AUST R 409074
EN 1500

DIRECTIONS

1. If hands are visibly soiled, hands should be washed with soap and water before using the product.
2. Apply sufficient amount of sanitiser to ensure all parts of hands are wet and rub hands together for at least 30 seconds.

SAFETY DIRECTIONS

- For external use only, do not swallow.
- Keep out of reach of children.
- If swallowed, seek medical advice or contact Poisons Information Centre in Australia 13 11 26 or New Zealand 0800 764 766.
- Avoid contact with eyes. IF IN EYES rinse well with water for several minutes. Remove contact lenses if present and easy to do - continue rinsing.
- Discontinue use if skin irritation or redness develops, and seek medical attention.
- Do not use on inflamed, broken or sensitive skin.
- Flammable liquid and vapour. Keep away from heat/sparks/open flames/hot surfaces.
- No smoking. Keep container tightly closed.
